These tours are an excellent way to see all that the nation's capital has to offer. All requests are submitted on a first-come, first-served basis to the tour venues. Due to the large number of visitors from the 12th District of Georgia and other congressional districts, many of the tours available to me are reserved as far as six months in advance.

Therefore, if you wish for me to arrange tours, please request them as early as possible in order to maximize your chances. You can contact Jessie Andrews in my office at 202-225-2823 or you can email her at Jessica.Andrews@mail.house.gov .

White House Tours: Due to increased security and high demand, White House tour requests are not always accepted by the White House. The White House requires advance notice, but tours cannot be booked more than 6 months in advance. For each person attending, we will
